Fee Schedule

New Assignments: \$300.00 (Adopted 5/21/2008)

(Please make checks payable to: Caribou County Planning and Zoning)

Road Name Change Request: Dependent upon cost of time plus sign charges

Note

The fee associated with the new address pays for the time and material it takes to issue and implement a GPS location into the Caribou County E911 system. It also includes an initial marker installed with the proper signage needed to meet county code. The United States Postal Service is also notified with a map showing the location of the new address.

The application for a new address may be rejected if it does not meet the criteria in Chapter Six of the Caribou County Zoning Ordinances.

The location for the new address needs to be clearly flagged in the center of the proposed structure.

Questions involving the county addressing program should be directed to:
